Attention: **Regarding Your White Paper on "Security & Terrorism"**

Dear Robert McClelland

Regarding your White Paper on "Security & Terrorism" I notice its full of assertions Al Qa`eda is a Muslim radical extremist group.

If that is so please explain why these Israeli Mossad Agents are caught setting up an Al Qa`eda Terrorist cell in Israel.

Shouldn't it be Muslims that they arrested?

This blows the Whole Al Qa`eda Scam out the door!

I also note in the attached articles the poster Boogie Man for Al Qa`eda is a Zionist Jew named Adam Pearlman, I notice your White Paper on Security and Terrorism doesn't mention that.

The Phony (Mossad) Al Qaeda Cell in Palestine

Israeli Prime Minister Ariel Sharon ... said that al-Qaeda militants were operating in the Gaza Strip and Lebanon.

"We know that they are there.

We know that they are in Lebanon, working closely with Hezbollah.

We know that they are in the region," he said. [[BBC News - 12/5/2002](#)]

Officials from the Palestinian Authority have accused the Israeli spy agency Mossad of setting up a fake al-Qaeda terrorist cell in Gaza.

Palestinian leader Yasser Arafat said that Israel had set up the mock cell in order to justify attacks in Palestinian areas. [[BBC](#)

Of the MOSSAD, the Israeli intelligence service, the SAMS officers say: "Wildcard. Ruthless and cunning.

Has capability to target U.S. forces and make it look like a Palestinian/Arab act." [Washington Times - 9/10/2001]

So much for your White Paper on "Security & Terrorism" it just got blown out the door, exposed as a fraudulent bit of rubbish full of gross fabrication and distortion of facts, blatant fallacies.

How long will you Robert McClelland and your leader Kevin Rudd, and them American – Israeli Spy's infiltrated within Australian Security & Intelligence Services perpetrated this fraud upon the Australian people?

Yours truly
Lloyd T Vance
